

UNIVERSITÀ DEGLI STUDI DI MILANO

Corso di Dottorato in
Scienze della Terra

Milano – 9-14 Ottobre 2017 - Short course (4 cfu)

Dott. PhD Christoph Mayer

Glaciers dynamics and glacio-risk phenomena

Per informazioni e iscrizione contattare:
DOCENTE DI RIFERIMENTO UNIMI
(guglielmina.diolaiuti@unimi.it)

PROGRAM

- day 1: Introduction to glaciers (types, distribution, glaciation, mass balance, hazards)
- day 2: physics of glaciers (fundamentals, deformation, sliding)
- day 3: glacial hazards 1: Glofs and avalanches
- day 4: glacier surges and sliding instabilities
- day 5: implications of glacier change
- day 6: field trip
